STS-111 Space Shuttle launch set for Thursday

Launch of Space Shuttle Endeavour on mission STS-111 to the International Space Station has been set for Thursday. Endeavour's liftoff will occur between 3 p.m. and 7 p.m. CDT with a precise time announced 24 hours prior to launch. The STS-111 mission is the 110th in the history of Shuttle flight. The 12-day mission will deliver Marshall-managed hardware including the Microgravity Science Glovebox, as well as the Station's Expedition Five crew.
